**M.I.C.A.L**

**MIGHTY, INCOMPARABLE,  
COMPLETE, AWESOME, LORD**

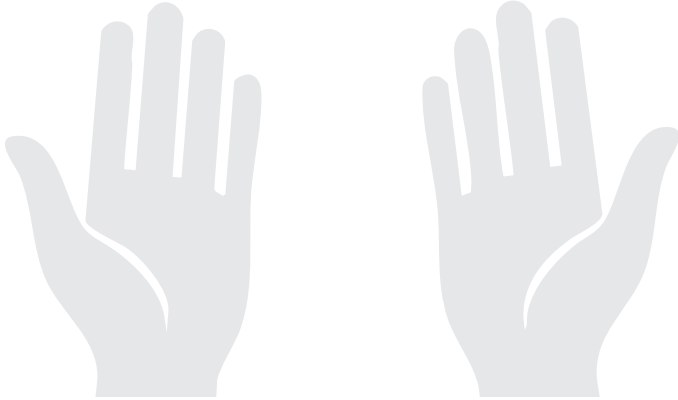

**K**ate Elise Jones Williamson answered the call to Renewed Lives – Renewed Nation January 10th 2026 at Matthew Town Inagua shortly after 2am at the residence of Faye Cox where she stayed. She arrived in Inagua on the 9th of January 2026 on a testimony trip to attend the funeral of matriarch Iva Rebecca Nixon who she never knew on January 10th. The trip was divinely orchestrated from beginning to the very end on January 12th. Proverbs 29: 1-10 and 2 Chronicles bellowed on my

conscience in the early morning of January 10th as I prepared a message on the topic “Renewed Mind, Renewed Nation for the 6am FBT Zoom devotion. Verse 2 of Proverbs 29 “When the righteous are in authority the people rejoice but when the wicked beareth rule, the people mourn”. Then 2 Chronicles 7:14 *“If my people which are called by my name shall humble themselves and pray and seek my face and turn from their wicked ways then will I hear from heaven and will forgive their sins and heal their land”*.

Having lived and served in Acklins, Crooked Island and Long Cay, on the ground in Inagua and heard the cries of Mayaguana, I like a Nehemiah not only have I heard but I have seen and experienced the “broken down and burnt gates” of MICAL. My spirit was heavily convicted so I answered the call, *“Lord send me, here I am send me. I want to be greatly used by thee, across the land and across the sea, here I am O Lord send me”*

After the 6am devotion my dear brother confirmed “Kate you should run for MICAL in the upcoming election the people need to hear about “Renewed Lives, Renewed Nation”. My mind began to race in time past to the many prophesies of me representing in the House of Parliament. My sister-in-law Wilma concluded the conversation by saying *“Stand up for righteousness, watch God do a new work in chapter 2026”*.

Later in the morning I attended the funeral of matriarch Iva Rebecca Nixon, a total stranger to me who God divinely used as a mirror. The attributes of the dear deceased were identical of mine, a philanthropist at heart. The very dress worn in the picture on the celebration of life program was the same as mine. It was a wow moment! The trip to Inagua was my second trip to an unknown in Inagua. “I ANSWERED THE CALL!”
